### 2) STRUCTURE, GOVERNANCE AND MANAGEMENT

The Peter Cruddas Foundation ("The Foundation" or "the Charity") was incorporated as a company limited by guarantee on 19 September 2006 and registered as a charity on 19 December 2006.

The Foundation's objects, as laid out in The Memorandum of Association, are "to advance, promote or carry out such charitable purposes as the Directors / Trustees in their absolute discretion consider fit".

The Trustees are also directors of the company for the purposes of company law. The Board of Trustees has no sub committees but has appointed advisors to assist in making recommendations to the Board in respect of grant-making matters. The Board aims to meet twice a year in face to face meetings and by conference call when required or circumstances call, subject to requirements.

#### Trustee induction and training

The Foundation's Trustees are all familiar with the practical work of the Charity and their responsibilities as Trustees. The Company Secretary distributes relevant information from the Charity Commission and The Foundation's advisors to the Trustees, as appropriate.

#### Management

The Foundation's affairs are conducted on a day-to-day basis by The Foundation Administrator, under direction of the Trustees.

#### Risk management

The Board of Trustees has reviewed the major risks to which The Foundation is exposed. The Board is satisfied that the procedures in place are adequate to manage such risks appropriately. The major risk which The Foundation faces is that its income is entirely derived from its founder, who is The Foundation's only significant donor.

#### Grant-making policy

The grants made during the year are detailed in note 4.

The Foundation gives priority to programmes calculated to help disadvantaged young people to pursue their education (including vocational) and more generally develop their potential whether through sport or recreation, voluntary programmes or otherwise. Preference will be given to the support of projects undertaken by charitable organizations for the benefit of such people.

The Foundation adopts a Priority Funding Programme scheme for unsolicited applications and it is available for review on the Foundation's web site. The programmes are subject to Trustee review at any time.

In addition to financial funding, The Foundation has provided mentoring support to many organisations through The Foundation Administrator's experience in the Third Sector. The Foundation Administrator has also made presentations to various charities throughout the year on strategic funding strategies and change management. This is estimated to have involved some 650 hours during the year ended 31 March 2015.

Trustees have made grants of various sizes and over various periods since 2006. Under the requirements of Charities SORP 2005 requirements, the Trustees wish for it to be noted that the accounts show a total figure of donations for a particular year which may not relate to the *actual figure* physically paid to charities. This is due to the different reporting procedures for multiple year commitments. The following table demonstrates this:

| Financial year | Grant expense per financial statements<br>£'000 | Grant payments<br>£'000 |
|----------------|---|-------------------------|
| 2006/7         | 550   | 550                     |
| 2007/8         | 3,882   | 2,660                   |
| 2008/9         | 4,060   | 4,021                   |
| 2009/10        | 1,545   | 1,585                   |
| 2010/11        | 1,139   | 2,208                   |
| 2011/12        | 727   | 827                     |
| 2012/13        | 260   | 287                     |
| 2013/14        | 367   | 392                     |
| 2014/15        | 472   | 405                     |
|                | <u>13,002</u>                                   | <u>12,935</u>           |

Trustees are extremely proud of The Foundation's donations, which amount to just over £12.9m.

## **2) STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)**

### **Public benefit statement**

The trustees have given consideration to the Charity Commission published guidance and consider that the charity operates in the public benefit.

### **Impact**

The Foundation has been operating for over nine years as a grant making foundation and the Trustees have been delighted with the impact so far that the work with young people has produced. Here is an example that the Foundation is particularly proud to have supported during the current year:

### **Great Ormond Street Hospital Children's Charity**

#### **Isolation Recovery Bays within the Post-Anaesthetic Care Unit**

Trustees were delighted to sponsor an Isolation Recovery Bay next to the new operating theatres in Great Ormond Street Hospital and this is the reason ....

After their surgical procedure and for the first time in Great Ormond Street Hospital each child will be taken to a first stage recovery area next to the operating theatre. As they begin to wake, the patient will be moved to the Post-Anaesthetic Care Unit.

Any children who have an infection or who have reduced immunity will be taken to one of ten isolation recovery bays, to minimise risk of any cross-infection between patients and to protect them at their most vulnerable post-surgical stage. Each isolation bay will be enclosed and include an en-suite toilet and wash basin, and a comfortable chair for a parent to sit with their child as they wake up. To enable staff to closely monitor the children, these bays will have two-way blinds on their windows looking onto the Unit's corridor.

The Post-Anaesthetic Care Unit will streamline patients' care after surgery, reducing the number of handovers between surgical and clinical teams and enabling many of our patients to receive vital surgical treatments as an out-patient, reducing stress for the children and their families, whilst making it possible for the Hospital to treat more patients.

The Post-Anaesthetic Care Unit will also contain an interview room where parents or carers can speak privately with their child's medical team, to find out how the surgery went and whether further treatments or appointments will be needed before the child may be discharged. Patients needing further care will be transferred to an inpatient ward.

## 3) OBJECTIVES AND ACTIVITIES / ACHIEVEMENTS AND PERFORMANCE

The Foundation's objects are set out above. Within these wide objects The Foundation seeks to focus its activities on providing grants in accordance with the grant-making policy set out above. During the 2014/15 financial year, The Foundation had voluntary income receivable of £444,625 (2013/14: £513,105). Grants of £471,500 (2013/14: £366,657) were made. The Trustees are monitoring the impact of these awards.

The Foundation Administrator has enabled the Trustees to promote The Foundation's activities more widely, to research, review and assess the significant number of grant applications received and to closely monitor the impact of grants made and this continued to develop in 2014/15. The Foundation will also be continuing to research and develop where its grants have most impact on beneficiaries, especially at grass roots level, in support of smaller charities with clear aims and objectives in line with the criteria described above.

## 4) FINANCIAL REVIEW

### Presentation of the financial statements

The financial statements have been prepared in accordance with The Companies Act, The Charities (Accounts and Reports) Regulations and Statement of Recommended Practice 2005 Accounting and Reporting by Charities ("SORP 2005").

### Financial results

The net result for the year was net expenditure of £87,797 (2013/14: net income of £83,903). The Trustees consider the position to be satisfactory.

### Reserves policy

The Trustees have considered the level of reserves that it is appropriate for The Foundation to maintain, given it is a grant-making charity. The Foundation is not an endowed charity and it only has one employee. The funding of its commitments is underwritten by the founder, Mr P A Cruddas. The Trustees have continued their grant programmes during 2014/15 and intend that to continue in future. As such, the Trustees are satisfied that the level of reserves at 31 March 2015 was appropriate.

### Related parties / donated services

The Peter Cruddas Foundation is a charity established and founded by Mr P A Cruddas, the majority shareholder of CMC Markets UK Plc. The Foundation's Company Secretary is employed by CMC Markets UK Plc. The Foundation's Administrator, Stephen Cox, is the only full time employee of The Foundation. Details of donated services and facilities are included in note 15 of the financial statements.

### Investment powers and policy

When possible any funds not immediately required for grant-making purposes are invested in short-term interest-bearing money market deposits.

## 5) PLANS FOR THE FUTURE

The Foundation Administrator is continuing to work to enable The Foundation to expand and communicate its activities more widely and researching the impact and outcomes of grants made by The Foundation. Further grants were made during 2014/15 in accordance with The Foundation's grant-giving criteria. The Foundation has recently received further funds from Mr P A Cruddas and CMC Markets UK Plc and it is intended that further grants will be made in due course.

The development of The Foundation's website continues and will continue to promote the work of The Foundation to a wide audience and this in turn has helped to produce appropriate applications to The Foundation. Promotion of The Foundation's work will continue to be made through presentations and training seminars organised by fundraising organisations and Third Sector organisations.

## TRUSTEES' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

The Trustees (who are also directors of The Peter Cruddas Foundation for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a strategic report or in preparing the Trustees' Annual Report.

## 1 PRINCIPAL ACCOUNTING POLICIES

### ACCOUNTING CONVENTION AND STANDARDS

The financial statements have been prepared under the historical cost convention, in accordance with applicable accounting standards and in accordance with the Statement of Recommended Practice 'Accounting and Reporting by Charities' published in March 2005 and the Companies Act 2006.

### GOING CONCERN

The Foundation has been funded by donations from CMC Markets UK Plc and Mr P A Cruddas. These major donors have indicated their willingness to continue to provide support for the foreseeable future. On this basis, the Trustees consider it appropriate to prepare the financial statements on a going concern basis.

### VOLUNTARY INCOME

Voluntary income is recognised in the period when the Charity has entitlement to the resources, it is certain the resources will be received and the monetary value can be measured with sufficient reliability. Donated services or facilities are included within the Statement of Financial Activities, where material, at the estimated open market value of an equivalent service or facility, where the benefit to the Charity is reasonably quantifiable and measurable.

### INVESTMENT INCOME

Investment income is recognised on a receivable basis.

### RESOURCES EXPENDED

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

### CHARITABLE EXPENDITURE

Charitable activities include expenditure associated with the provision of grants and any other charitable activities. Both direct costs and support costs (where applicable) relating to the charitable activities are included. Support costs principally relate to staff costs. Grants payable are payments made to third parties in the furtherance of the charitable objectives of The Foundation. Single or multi-year grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the Trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and any condition attaching to the grant is outside of the control of The Foundation.

### GOVERNANCE COSTS

Governance costs include all expenditure related to the governance of the Charity including audit fees.

### FUNDS STRUCTURE

Unrestricted funds comprise those funds which the Trustees are free to use for any purpose in furtherance of the charitable objects.

### CASH FLOW STATEMENT

Due to its size, the Charity is not required to present a cash flow statement under Financial Reporting Standard Number 1.

### PENSION CONTRIBUTIONS

The pension costs charged in the Statement of Financial Activities represent contributions payable into defined contribution employee pension arrangements by the Charity in respect of the year. Differences between contributions payable in the year and contributions actually paid are shown as either prepayments or accruals in the balance sheet.
